Conservice Military Solutions

The Utility Conservation Program at Fort Benning is provided by Conservice Utility Management and Billing. Conservice provides billing and utility services to military housing communities across the country. Conservice also serves the multifamily, single family, student housing, and commercial/retail markets at over one million service locations nationwide.

Conservice operates a live, in-house call center where residents and service members can call with questions about Fort Benning's Utility Conservation Program. Customer service agents are available to answer questions about your utility usage, conservation allowances, and more between the hours of 8 AM and 10 PM EST, Monday through Friday. Email Conservice anytime at service@conservice.com.

For conservation tips and other tools that can help you save, visit the Conservice website at www.militaryutilities.com. Here you can also sign up for e-statements, view your consumption data, and view utility statements.
