

Dear Residents -

Per the recommendations of the U.S. Centers for Disease Control and Prevention and the Fort Benning Garrison, all Villages of Benning playground facilities will remain closed until further notice. These closures are part of our commitment to implementing procedures and policies targeted at helping to prevent the possible spread of the Coronavirus (COVID-19) illness in the Fort Benning community.

Thank you for your patience, understanding and cooperation as we work to help ensure the health and safety of our valued Villages of Benning residents. We understand the importance of the playgrounds to you and as such, we will continue to re-evaluate the need for these closures as the evolving situation dictates.

For updates on playground closures and other Villages of Benning actions related to the COVID-19 pandemic, visit our Facebook page ([Facebook.com/villages.benning/](https://www.facebook.com/villages.benning/)) or contact your Community Management Office.
